## From the Oak Lane Administrator

Hello, everyone! We have been blessed with such lovely weather. It's perfect & allows our residents to enjoy their new patio and standing garden. I hope you've been able to follow us on Facebook under Henderson County Retirement Center. We post quite a few pictures of our garden & activities. Our residents really enjoy it.

Speaking of activities at Oak Lane, we hired Taylor Wayland, a Certified Nurse's Aide who completed our CNA Class two years ago, as our new Activity Director. Taylor has already done a wonderful job boosting and improving our Activity Program. She will be helping out our Activity Assistant, Paula Clark. Taylor is engaged to be married to Brody Haynes in September. They live in Oquawka. Welcome, Taylor!

We have been busy providing wonderful care to our community. Our Outpatient Therapy through Rehab Care continues to be a big hit, as well as the inpatient Occupational, Physical, and Speech Therapies. We've sent a lot of people back home after rehabbing here.

We develop a lot of great relationships with our residents and their families and friends. We consider ourselves very blessed.

We hope you enjoy the rest of your summer!  
God Bless, Valerie

We had two amazing employees chosen by our residents at their Resident Council to be Employee of the Month this July. They are **Amanda Hicks** and **Joy Henson**. They are both great Certified Nurses Aides here at Oak Lane. Thank you both for the fabulous care that you give our residents every day. Congratulations, Amanda & Joy!

## OAK WOOD ESTATES RETIREMENT VILLAGE

### Bobbi Tapscott, Administrator

July was a beautiful month. Had a few very warm days. We keep hoping for rain! July was a busy month with the 4<sup>th</sup> of July and the Henderson County Fair. Raritan had a beautiful firework display that was enjoyed by some of the residents.

Would like to welcome D. & J. Vaughn to our home. M. Shoemaker was discharged to Oak Lane. She has been greatly missed.

Our Annual Inspection was on July 22<sup>nd</sup>. Inspector was here for 2 days. We had a very good inspection. Won't know until a later date if we will have any deficiencies. Want to thank all the residents, employees and Board of Directors for all their support and dedication to HCRC.

We still have some open rooms currently. If anyone is interested, please stop by at any time for a tour and check out our beautiful facility. Contact Bobbi Tapscott, (309) 924-1910 with any questions you may have. God Bless, Bobbi
